Ginger,

Might I remind you of the thousands of dollars you cost the taxpayers of Matthews, Mecklenburg County, and the State of NC? Confucius say, "Woman who live in glass house should not throw rocks."
Paul

Paul F. Bailey
Commissioner, Town of Matthews

Subject: Request for Public Record

Please forward the total legal costs spent by taxpayers regarding the attached legal action. I am sure that all Commissioners are aware that we are still in a recession and stay informed of the total legal costs spent by Matthews' taxpayers.

Thank you for your time.

Ginger Wright
